## NOTICE TO MERCHANTS,

Please notice the arrangement of the Catalogue which gives Wholesale Prices on small quantities as packages, ounces, one-fourth pound, quarts, etc., as well as on larger quantities. The object is to allow you to take orders from your customers at retail prices and order from us just what is wanted. Many merchants are doing a good seed business without keeping any stock on hand. See packet prices on first page. We will supply retail catalogues. This catalogue may be used as an order sheet and we will supply others.

---

### TERMS GOVERNING OUR WHOLESALE BUSINESS.

**The Quotations** in this catalogue are intended for **Dealers** only. Prices are subject to advance without notice and all offers are made subject to stock being unsold on receipt of order.

**Credit**—To parties having an established credit all bills are due June 1st, next following, for all purchases previous to that date, with exceptions as noted. Purchases after June 1st are due December 1st, following, with exceptions as noted. These exceptions are: **Grass and Clover Seed, Grain** (Oats, Corn, etc.), **Onion Sets, Seed Potatoes, Fertilizers and Insecticides.** These are **Net Cash**, without discount, also Beans, Peas and Corn, when not accompanied by a general order for other seeds. We advise you to write for prices on Grass and Clover Seed, Onion Sets, and Seed Potatoes when ready to buy.

We give a credit of 60 days from the date of shipment on **Man-Weight Machines and other manufactured specialties.**

**CASH DISCOUNT**—We will allow a discount (except on **Net Cash** goods as above) of **1 per cent. per month** for remittances before the expiration of time named above.

**Bags are Charged at Cost. BOXES and BARRELS are Usually Free.** After delivery to transportation company in good order, goods are at purchaser's risk. Send shipping instruction with each order.

### WE SEND NO GOODS ON COMMISSION.

**OUR SEEDS** are grown and handled with the greatest care, and what we offer in our wholesale business are exactly the same as we sell in our retail trade to our critical gardeners. Yet, in common with all other responsible seedsmen, we want it distinctly understood that we do not warrant our seed, nor do we allow any of our employees or representatives to give any warranty, express or implied, and we will assume no responsibility of the crop. If the seeds are not accepted on these terms they must be returned at once.

# General List

## OF

# Vegetable Seeds.

### VEGETABLE SEEDS IN PACKETS.

Merchants can make a better profit by selling our seeds than on any commission seeds they can obtain, besides being able to offer their customers the best and freshest seeds that grow.

Don't be alarmed about the few you may have left on hand at the end of the season. You have made so much more on what you sold that you can afford to throw them away.

<b>1000</b>	Packets,	Standard Varieties,	@	1c	each,	<b>\$10.00</b>
<b>500</b>	“	“	@	$1\frac{1}{4}$ c	“	<b>6.25</b>
<b>100</b>	“	“	@	$1\frac{1}{2}$ c	“	<b>1.50</b>

The above may include any packet priced in our general catalogue at 5c or less, and not less than 12 packets of a variety. Packets priced at more than 5 cents each, 60 per cent. discount, when you order 1,000 packets of any kind; 50 per cent. off in smaller orders.

### FLOWER SEEDS IN PACKETS.

Our prices and conditions on Flower Seeds are exactly the same as on Vegetable seeds, and orders may be combined—i. e., part Vegetable and part Flower seeds to make up the quantity. i

All transportation charges to be paid by the purchaser.

## FARM SEEDS.

We make a great specialty of Farm Seeds. Our varieties of Seed Corn and Potatoes, particularly, are unequaled elsewhere in the country.

On account of our central location we can supply farmers with their farm seeds and all bulky seeds at a saving of transportation that would result if ordered from seedsmen in remote parts of the country, to the far North, East or West.

All prices of Farm Seeds are subject to changes. The changes are not likely, however, to affect any but Clovers

and Grasses. We issue revised price lists of varieties that are liable to change frequently. Send for it when ready to buy. The prices quoted herewith are ruling on day of closing this catalogue.
